JEANETTE BEEBE

*I can tell you this: We are putting out a damn paper.*

*Capital Gazette* journalist Chase Cook

the not us yet  
the not five

the them  
called survivors

the them  
who survived

what defiance  
hatches underground

alien in daylight  
fully grown

cicadas pushing  
through earth

mining the shape  
from stone

we will never rest  
or leave it alone
